

YOUR EARTHQUAKE RISK IS REAL

So is the benefit of earthquake insurance.

It's not a
matter of

**IF AN EARTHQUAKE
WILL STRIKE,
but WHEN IT WILL HAPPEN.**

- » If you don't have an earthquake insurance policy, then you don't have coverage for earthquake damage.
- » Without an earthquake insurance policy, you'll have to pay all recovery costs yourself.
- » To get a policy estimate, call the insurance agent for your home or visit **EARTHQUAKEAUTHORITY.COM**.
